- Bookings for garden dining are weather dependent, and in inclement weather we will do our best to accommodate you inside, although this cannot be guaranteed, in such situations please call ahead.
- Please note confirmation of a table outside will not guarantee you an alternate table inside although we will try our best to accommodate your needs depending on our capacity policy and pre-existing inside bookings. Please phone ahead of your booking on such occasions to confirm we are able to accommodate you
- For drinkers we do not require a booking, however please come inside and wait at the entrance to be shown to a designated drinking table where space is available. Unfortunately, we may not be able to accommodate you on every occasion
- Should you wish to sit outside, the front courtyard will be a designated drinker only space
- When you're ready to order please come inside and wait by the entrance to be directed to a till
- Guests will not be permitted to sit or stand at the bar
